Nature in Every Ingredient

HIMACHAL PRADESH • INDIA

About Us

Introduction

Founded in 2014 in the Himalayas of India, Ayush Herbal & Healthcare develops premium botanical extracts and natural ingredients, combining nature, science and international quality standards to serve global health and wellness brands.

Our Philosophy

Every botanical holds exceptional potential. At Ayush Herbal, we unlock it through scientific precision, responsible sourcing and uncompromising quality.

Founder

Mr. Krishan Sharma

VISION
COMMITMENT
PURPOSE

Driven by a passion for nature and science, our founder established Ayush Herbal with one purpose: delivering trusted botanical ingredients to the world.

The Backbone

Mr. Kamal Sharma

Playing a pivotal role in the leadership of Ayush Herbal, he oversees the company's overall operations, business functions and organizational performance. His commitment to excellence ensures the smooth and efficient functioning of every aspect of the business..

The Brilliance Behind

Dr. Gambhir Singh

Ensuring excellence at every stage, he leads our quality and research initiatives with scientific precision, driving innovation while maintaining the uncompromising standards that define Ayush Herbal. Responsible for safeguarding the integrity of our products, With a relentless focus on precision and innovation

Future Horizons

Our vision extends beyond today's achievements. As we expand into new international markets and emerging industries, we remain committed to innovation, global compliance and continuous improvement. By embracing higher standards and evolving with our customers' needs, we aim to deliver greater value, build lasting partnerships and shape the future of natural ingredients. Expanding Globally. Innovating Responsibly. Growing Together.
